Because I Love You
The Fourth Story
The real stories of three or four teachers + one house wrecker and

SLUMP

DO YOU KNOW WHY THE KOREAN WAR STARTED?

WHAT!?

THE KOREAN WAR.

I need to study for my test, but I don't want to.

UM...

Uh... Hold on.

The above story is something Mina posted about a way to kiss a girl.
It's also from a drama called 'Phone'd', when a guy named Eric kisses a girl.

Why don't you all give it a try?

But, be careful when you ask a girl this question. They might start raving about the Korean war. Or that happens... cover her mouth.

With your own, that is.^^
